

# mobilebanking

**Do your banking anywhere, anytime with mobile banking!**

When was the last time you needed to make a quick transfer from the checkout line to cover a debit purchase? Have you ever wanted to find a fee-free ATM machine while you were out and about? Now all you need is a web-enabled cell phone or PDA and you can do all that and more!

Introducing **MobileBanking**, your mobile access point to AMPLIFY accounts, locations, and information. We are pleased to offer you this convenient and free service. Point your mobile device to:

**[mobile.goamplify.com](http://mobile.goamplify.com)**

You can search for ATM locations, branch locations and hours, and shared branch locations. Need to know our loan and deposit rates? Get them on your phone! And of course you can log into Online Banking and do all your normal transactions including:

- Transfers
- View Cleared Check Images
- BillPayer Payments
- Account History (last 20 transactions)
- Open Additional Account

**Click to see a Demo!**

**Account: amplify  
PIN: pda**

AMPLIFY is committed to helping you Bank less and Live more. We'll be right there no matter where you are.
