

2nd LIEN LENDING RATES (BROKERS ONLY*)

As we have seen more and more volatility in the marketplace and credit freezing in the secondary market for non-agency products, Amplify has made the decision to temporarily pause our 2nd Lien TPL channel and wait for the market to stabilize.

All applications currently disclosed and/or locked will be allowed to continue and close through Amplify.

**Sincerely,
Amplify Credit Union**

Effective: April 24, 2024
