

WHOLESALE (BROKERS ONLY*)

As we have seen more and more volatility in the marketplace and credit freezing in the secondary market for non-agency products, Amplify has made the decision to temporarily pause our Wholesale channel and wait for the market to stabilize.

What does this mean for you?

Amplify has temporarily suspended our wholesale operation.

Amplify remains committed to our Wholesale partners in helping Texans finance their homes. We believe this to be a temporary measure to ensure our commitment toward this common goal. We thank you for your business and continued support of Amplify's Third Party Lending Platform and look forward to working with you all in the very near future.

All applications currently disclosed and/or locked will be allowed to continue and close through Amplify.

**Sincerely,
Amplify Credit Union**
